Scheduled NW Fern Street Grade Crossing Closure

Stuart, FL – Florida East Coast Railway (FEC) will be closing the NW Fern St. grade (railroad) crossing beginning Sunday, April 14, 2019, in order to perform required maintenance of the crossing, which will include paving and maintenance of traffic.

Although projects of this nature typically take around 3 days to complete, the actual timeframe of work may be longer if required by the contractor in completing the project. Affected motorists should exercise caution and plan an alternate route during this period.
