

**BEFORE THE CITY COMMISSION
CITY OF STUART, FLORIDA**

ORDINANCE NUMBER 2413-2019

AN ORDINANCE OF THE CITY OF STUART, FLORIDA, CREATING A NEW ARTICLE IX IN CHAPTER 20 OF THE CITY CODE ENTITLED "EXPANDED POLYSTYRENE AND PLASTICS REGULATION"; PROVIDING FINDINGS, INTENT AND DEFINITIONS; CREATING DIVISION (A) RELATED TO REGULATIONS FOR THE DISTRIBUTION OF EXPANDED POLYSTYRENE AND SINGLE-USE PLASTICS ON CITY-OWNED PROPERTY AND RIGHTS-OF-WAY; PROVIDING FOR A SEVERABILITY CLAUSE AND A CONFLICT CLAUSE; PROVIDING FOR AN EFFECTIVE DATE, AND FOR OTHER PURPOSES

WHEREAS, the City of Stuart declares that it is in the interest of the public health, safety and welfare of its residents and visitors to reduce litter and pollutants on the land and in the waters of the City; and

WHEREAS, it is the City's intent to maintain and enhance Stuart's quality of life, natural beauty and small-town waterfront character, its stable residential neighborhoods, and its status as the commercial/institutional hub for greater Martin County; and

WHEREAS, Element IV, Objective A4 of the City's Comprehensive Plan commits to ongoing monitoring and reduction of solid waste collection through its Residential Single Stream Recycling Program and a voluntary Commercial Recycling Program; and

WHEREAS, the City Commission calls for the citywide goals of zero waste and the protection and enhancement of the city's environment by implementing policies

that reduce hazardous materials like polystyrene; and

WHEREAS, the City Commission wishes to continue the City's legacy of environmental leadership by adopting "green" ordinances and policies that will act to conserve natural resources, contribute to the long-term economic vitality of the St. Lucie River region as well as its tributaries, and reduce waste and pollution in the environment; and

WHEREAS, expanded polystyrene is neither biodegradable nor feasibly recyclable within the current city recycling program. Instead, it fragments into microbeads, which are then ingested by marine life and other wildlife, thus endangering their life and wellbeing; and

WHEREAS, expanded polystyrene products have little value and constitute a portion of the litter and pollution in the City's waterways, rights-of-way, parks, and other public places; and

WHEREAS, the City of Stuart will serve as a leader in environmental protection by prohibiting the distribution and use of expanded polystyrene and non-recyclable, single-use plastic food service articles by its contractors, vendors, and special event permittees in City facilities and rights of way and on City property including but not limited to in City parks and at City marinas, piers, and docks as well as future leases for entities doing business on City owned property.
