**AGREEMENT FOR SERVICES BETWEEN CITY OF STUART AND CONTRACTOR FOR
REQUEST FOR QUALIFICATION #2020-400
CITY WIDE ANNUAL ROOFING REPAIR AND REPLACEMENT**

**CONTRACTOR: CROWTHER ROOFING & SHEET METAL OF FLORIDA, INC.
2543 ROCKFILL ROAD
FORT MYERS, FLORIDA 33916**

AGREEMENT FOR SERVICES

THIS AGREEMENT, hereinafter "Contract," made and entered into the 11th day of may, 2020 by and between CROWTHER ROOFING & SHEET METAL 2543 Rockfill Road Fort Myers, Florida 33916 hereinafter referred to as "Contractor" and the City of Stuart, Florida, a municipal corporation, 121 S.W. Flagler Avenue, Stuart, Florida 34994, hereinafter referred to as "City", for and in consideration of the following terms, conditions and covenants.

I. PURPOSE OF AGREEMENT

City intends to enter into a contract with Contractor for provision of City-Wide Annual Roofing Repair and Replacement by the Contractor and the payment for those services by City as set forth below.

II. SCOPE OF SERVICES

The Contractor shall provide Roofing Repair and Replacement in all phases of any project for which a WORK ORDER REQUEST has been issued by the City pursuant to this Agreement as hereinafter provided. These services will include Roofing Repair and/or Replacement as described in the Work Order Request. The detailed scope of services to be performed and schedule of fees for those services shall be detailed in each Work Order Request.

Designated areas of the City of Stuart, project services shall include, but not be limited to, furnishing all labor, equipment and materials necessary for any installation within the City.

III. AGREEMENT PROVISIONS

Section 1. Period of Service

1.1 Term of Agreement

Upon award of this Agreement, the effective date of this Agreement shall be the date of execution of this Agreement by both City and Contractor. Term of this agreement shall be for an initial period of one (1) year with the option of two (2) additional one-year renewal periods, upon the mutual agreement of the parties. Extension of the contract for additional thirty (30) day periods, not to exceed 6 months, for the convenience of either party shall be

permissible at the mutual consent of both parties.

Consideration of price increases at each renewal period will be given provided such escalations are justified, reasonable and acceptable to the City. Any price increases must be documented and approved by the City of Stuart only when a written request is received a minimum of ninety (90) days prior to the renewal date. It is also expected that de-escalation of prices will be extended to the City if the market so reflects.

1.2 Work Order Request (WOR)

Each "WOR" shall be in accordance with Section 2.2 Servicing Procedures for Prequalified Contractors of Exhibit B. A Purchase Order will be issued to the lowest bidder of requested Work Order.

Section 2. Compensation and Method of Payment

2.1 Bid Schedule

CITY will compensate Contractor for services under each WOR. The fee due to the Contractor shall be quoted by the successful Contractors as provided on a per project basis by WOR, and awarded to the lowest most responsive and responsible bidder as set forth in each WOR to this Agreement.

2.2 Invoices

Contractor shall submit invoices to the City for work accomplished and accepted by the City under this Contract. Each invoice shall be detailed and include, but not be limited to, a legible copy of the estimate approved by the City Representative, and the date work was completed and accepted by the City.

2.3 Payment

Payment for services rendered is due within thirty days of receipt and approval of invoice by City. Payment is delinquent 30 days following receipt and approval of invoice by City, unless Contractor accepts the Visa Pcard.

If Contractor acknowledges acceptance of purchasing VISA card, all payments for services rendered shall be compensated within 10 days of invoice approval by the City. City shall not pay any service charges or fees for Pcard transactions.

Section 3. Guarantee

The Contractor guarantees to repair, replace or otherwise make good to the satisfaction of the City any defects in workmanship or material appearing in the work within twelve (12) months after the day the work is accepted by the Project Manager of the City. Contractor further guarantees the successful performance of the work for the service intended. Neither inspection nor payment, including final payment by the City shall relieve the Contractor from his or its obligations to do and complete the work in accordance with this contract. If the City deems it inexpedient to require the Contractor to correct deficient

installation or repairs, an equitable deduction from the contract price shall be made therefore or in the alternative the City may sue for damages, or both.

Section 4. Audit

The Contractor agrees that the City or any of its duly authorized representatives shall, until the expiration of three years after expenditure of funds under this Agreement, have access to and the right to examine any directly pertinent books, documents, papers, and records of the Contractor involving transactions related to this Agreement. The Contractor agrees that payment(s) made under this Agreement shall be subject to reduction for amounts charged thereto which are found on the basis of audit examination not to constitute allowable costs under this Agreement. The Contractor shall refund by check payable to the City the amount of such reduction of payments. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three years after completion of the project and issuance of the final certificate, whichever is sooner.

Section 5. Contractor Responsibility

5.1 Independent Contractor

The Contractor is an independent contractor and is not an employee or agent of the City. Nothing in this Agreement shall be interpreted to establish any relationship other than that of an independent contractor, between the City and the Contractor, its employees, agents, subcontractors, or assigns, during or after the performance of this Agreement.

5.2 Responsibility for Work

The Contractor shall take the whole responsibility of the Agreement Work and shall bear all losses resulting to him because of bad weather, or because of errors or omissions in his or its bid on the Agreement price, or except as otherwise provided in the Agreement Documents because of any other causes whatsoever.

The Contractor shall assign a Supervisor and identify assigned personnel to the City account. Supervisor is responsible to keep the City informed of the contractor's activities and have in place a dispatch method available at all times who can be contacted by the City by radio, beepers, cellular phones etc. This assigned Supervisor will be responsible for overseeing all work performed. If at any time the assigned supervisor is replaced during the term of this contract, the Contractor must provide all updated information and details as requested and must be approved by the City. Any change in Contractor's assigned staff must also have prior approval by the City.

The Contractor is responsible to submit a proposed schedule to the City consisting of planned work to be accomplished. The Public Works Director; or his designee, shall have approval authority over the proposed schedule. Contractor may not change the schedule without the prior written authorization of the Public Works Director, or his designee. The City reserves the right to change the schedule, with adequate notification, so the best benefit of the work can be achieved

5.3 Contractor's Records

As a condition precedent to Contractor filing any claim against City, Contractor shall make available to City all of Contractor's books and records (directly or indirectly related to the claim of Contractor's business) requested by City. Refusal to do so shall constitute a material breach of this contract and cause for dismissal of any litigation.

5.4 Liquidated Damages

The Contractor shall pay to the party of the first part, as damages for non-completion of the work within the time stipulated for its completion, one thousand dollars (\$1,000.00) for each and every day which may exceed the stipulated time for its completion, is hereby agreed upon, fixed and determined by the parties hereto as liquidated damages that the party of the first part will suffer by reason of such default and not by way of penalty.

The party of the first part is hereby authorized to deduct the said sum of one thousand dollars (\$1,000.00) per day from the moneys which may be due or become due said Contractor for the work under this contract, or as much thereof as the Owner may, at its own option, deem just and reasonable.

Section 6. Additional Services

The City may require additional services of a similar nature, but not specifically identified in the contract. The Contractor agrees to provide such items/services, and shall provide the City prices on such additional items or services based upon a formula or method which is the same or similar to that used in establishing the prices in this proposal. If the price(s) offered are not acceptable to the City, and the situation cannot be resolved to the satisfaction of the City, the City reserves the right to procure those items/services from other vendors or to cancel the contract. Furthermore, the City reserves the right to delete or revise items and services under this proposal at any time during the contract period when and where deemed necessary. Deletions may be made at the sole discretion of the City at any time during the contract period. Items revised must be mutually agreed upon in writing by the Contractor.

Section 7. Termination

7.1 Termination for Convenience

Either party upon a thirty (30) day written notice to the other party may terminate this Contract. In the event of any termination, Contractor shall be paid for all services rendered to the date of termination.

7.2 Termination for Cause

The performance of the Contract may be terminated by the City of Stuart in accordance with this clause, in whole or in part, in writing, whenever the City shall determine that the contractor has failed to meet performance requirement(s) of the Contract. If the successful bidder should be adjudged bankrupt, or if he should make a general assignment for the benefit of his creditors, or if a receiver should be appointed on account of his insolvency, or if he should fail to provide properly skilled personnel or proper service in the sole discretion of the City, then the City can, after giving the successful bidder seven (7)

days written notice, and without prejudice to any other right or remedy, terminate this Contract.

7.3 Disqualification

Contractors must attend the mandatory pre-bid meeting to address the scope of work and questions about the project. Failure to attend three meetings per contract year may be cause for disqualification / termination of your agreement.

7.4 Default

In the event that the Contractor cannot respond adequately to the needs of the City by reason of equipment failure or any other reason, the Contractor shall advise the City, as soon as possible, and further advise as to the length of said inability. The City may then consider said inability to be a breach of this Contract and may undertake the necessary work through the remaining prequalified Contractors or its own services.

Section 8. City's Obligations

8.1 Designated Representative

The Designated Representative of the City to act with authority on the City's behalf with respect to all aspects of the Project shall be identified in each Project Authorization.

Section 9. Persons Bound by Agreement

9.1 Parties to the Contract

The persons bound by this Contract are the Contractor and the City and their respective partners, successors, heirs, executors, administrators, assigns and other legal representative.

9.2 Assignment of Interest in Contract

This Contract and any interest or services associated with this Contract may not be assigned, sublet or transferred to another by either party without the prior written consent of the other party. Contractor will not be permitted to subcontract any of the work requirements to be performed of the services hereunder.

9.3 Inspection

The project will be inspected by the Project Manager for the City and will be rejected if it is not to conformity with the Agreement provisions. Rejected work will be immediately corrected by the Contractor. When the work is substantially completed, the Contractor shall notify the City in writing that the work shall be ready for inspection on a definite date, at least five (5) business days following the completion of work, which shall be stated in such notice.

9.4 Start of Work and Time for Completion

It is hereby understood and mutually agreed by and between parties hereto that the time of completion is an essential condition of this contract. By submitting a bid response to WOR, Contractor agrees to start the work within seven (7) days of issuance of Notice to Proceed. Contractor is to prosecute the work uninterrupted in such a manner, with sufficient labor, equipment and/or materials so as to insure work is completed within designated completion time. In the event the Contractor, due to circumstances beyond his/her control, cannot complete the project within this time frame, he/she shall immediately make this fact known to the Project Manager or designee.

The Contractor shall, within Two (2) business days from the beginning of such delay, notify Project Manager, in writing, with copy to the Procurement Manager, of the cause(s) of the delay. If the Contractor shall be delayed in the completion of its work by reason of unforeseeable causes beyond its control and without fault or negligence, including, but not restricted to, acts of God or neglect of any other contractor, the period herein specified above specified for the completion of delivery shall be extended by such time as shall be approved by the Project Manager.

9.5 Rights and Benefits

Nothing herein shall be construed to give any rights or benefits arising from this Contract to anyone other than Contractor and the City.

Section 10. Indemnification of City

Contractor assumes the entire responsibility and liability for all damages or injury to all persons, and to all property, caused by the Contractor or Contractor's employees, agents, consultants or sub-contractors, and Contractor shall to the fullest extent allowed by law, indemnify and hold harmless the CITY, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, omission, or intentional conduct of the Contractor and other persons employed or utilized by the Contractor in the performance of the contract. Specific consideration for this indemnity is \$10.00, the receipt and sufficiency of which are hereby acknowledged by Contractor.

Contractor shall obtain, maintain and pay for general liability insurance coverage to insure the provisions of this paragraph.

Section 11. Insurance

11.1. Requirements

Contractor shall procure and maintain insurance, in the amounts noted in Item 5.2 of the Request for Qualification and included in "Exhibit C" of this Contract, which names the Contractor, its officers, board members, employees and agents as additional insured on General Liability and Automobile Liability insurance policies. Such certificate must contain a provision for notification of the City 30 days in advance of any material change or

cancellation. The City by and through its Risk Manager, reserves the right to review, modify, reject or accept any required policies of insurance, including limits coverages or endorsements, herein from time to time throughout the term of this contract. All insurance carriers must have an A.M. Best Rating of at least A:VII or better. When a self-insured retention or deductible exceeds \$5,000, the City reserves the right, but not the obligation, to review and request a copy of contractor's most recent annual report or audited financial statement. All contractors, including any independent contractors and subcontractors utilized, must comply with the insurance requirements as set forth in the documents identified and listed in "Exhibit C" attached hereto.

11.2 Certificate of Insurance

Certificates of all insurance required from the Contractor shall be attached to this agreement and shall be subject to the City's approval for adequacy.

11.3 Status of Claim.

The Contractor shall be responsible for keeping the City currently advised as to the status of any claims made for damages against the Contractor resulting from services performed under this Contract. The Contractor shall send notice of claims related to work under this Contract to the City. Copies of the notices shall be sent by fax, hand delivery or regular mail to:

Public Works, City of Stuart
121 S.W. Flagler Avenue
Stuart, Florida 34994
FAX: (772) 288-5381

Section 12. Contractors Standards

All work performed by Contractor will be in accordance with the same degree of care, skill, and diligence in the performance of the work as is ordinarily provided by a contractor under similar circumstances and contractor shall, at no additional cost to the City, correct any deficiency which fails to satisfy the foregoing standard of the highest professional standards and in accordance with all applicable governmental regulations.

Section 13. Non-Appropriation

This Contract is deemed effective only to the extent of the annual appropriations available.

Section 14. General Conditions

14.1 Venue in Martin County

Jurisdiction and venue for any lawsuit to enforce the terms and obligations of this Contract shall lie exclusively in the County Court or the Circuit Court in and for Martin County, Florida.

14.2 Laws of Florida

The validity, interpretation, construction, and effect of this Contract shall be in accordance with and governed by the laws of the State of Florida.

14.3 Attorney's Fees and Costs

In the event the Contractor defaults in the performance of any of the terms, covenants and conditions of this Contract, the Professional agrees to pay all damages and costs incurred by the City in the enforcement of this Contract, including reasonable attorney's fees, court costs and all expenses, even if not taxable as court costs, including, without limitation, all such fees, costs and expenses incident to appeals incurred in such action or proceeding.

14.4 Mediation as Condition Precedent to Litigation

Prior to the initiation of any litigation by the parties concerning this Contract, and as a condition precedent to initiating any litigation, the parties agree to first seek resolution of the dispute through non-binding mediation. Mediation shall be initiated by any party by serving a written request for same on the other party. The parties shall, by mutual agreement, select a mediator within 15 days of the date of the request for mediation. If the parties cannot agree on the selection of a mediator then the City shall select the mediator who, if selected solely by the City, shall be a mediator certified by the Supreme Court of Florida. The mediator's fee shall be paid in equal shares by each party to the mediation.

14.5 Contract Amendment

No modification, amendment or alteration in the terms or conditions contained in this Contract shall be effective unless contained in a written documents executed with the same formality and of equal dignity herewith. No verbal agreement by the City or the City's representative identified herein shall be binding or enforceable against the City.

14.6 Contractual Authority

By signing this Contract the Contractor swears or affirms, under penalty of perjury, that this is a valid act of the Contractor, and that no later claim shall be made by the CONTRACTOR that the Contract is invalid or an *ultra vires* act, by reason of a failure to have the proper authority to execute the Contract. In the event that a court of competent jurisdiction later determines that the Contract is or would be null and void for failure of the signatory to have proper or complete authority, this Contract shall nonetheless be deemed valid under the theory of "apparent authority," or in the sole alternative of the City, shall be deemed to be the act of the signatory, as an individual, who shall be fully responsible for its complete performance.

14.7 Sovereign Immunity

Nothing contained herein shall be construed or interpreted as a waiver of the sovereign immunity liability limits established under chapter 768.20 Florida Statutes as amended.

Section 15. Public Records

If the Contractor has questions regarding the application of Chapter 119, Florida Statutes, to the Contractor's duty to provide public records relating to this contract, contact the office of the City Clerk as the custodian of Public Records for the City of Stuart, and all the respective departments at 772-288-5306 or PublicRecordsRequest@ci.stuart.fl.us, City of Stuart, City Clerk 121 SW Flagler Avenue, Stuart, FL 34994 per F.S. 119.12.

Public Records Relating to Compliance, Request for Records; Noncompliance, & Civil Action with F.S. 119.0701 the Contractor shall:

Keep and maintain public records required by the public agency to perform the service.

Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

A request to inspect or copy public records relating to a public agency's contract for services must be made directly to the public agency. If the public agency does not possess the requested records, the public agency shall immediately notify the contractor of the request, and the contractor must provide the records to the public agency or allow the records to be inspected or copied within a reasonable time.

If a contractor does not comply with the public agency's request for records, the public agency shall enforce the contract provisions in accordance with the contract.

A contractor who fails to provide the public records to the public agency within a reasonable time may be subject to penalties under F.S. [119.10](#).

If a civil action is filed against a contractor to compel production of public records relating to a public agency's contract for services, the court shall assess and award against the contractor the reasonable costs of enforcement, including reasonable attorney fees, if:

- The court determines that the contractor unlawfully refused to comply with the public records request within a reasonable time; and
- At least 8 business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the contractor has not complied with the request, to the public agency and to the contractor.

A notice complies with subparagraph above, if it is sent to the public agency's custodian of public records and to the contractor at the contractor's address listed on its contract with the public agency or to the contractor's registered agent. Such notices must be sent by common carrier delivery service or by registered, Global Express Guaranteed, or certified mail, with postage or shipping paid by the sender and with evidence of delivery, which may be in an electronic format.

A contractor who complies with a public records request within eight (8) business days after the notice is sent is not liable for the reasonable costs of enforcement.

Section 16. Scrutinized Companies List

Pursuant to Sections 287.135, 215.4725, and 215.473, of the Florida Statutes which prohibits agencies from contracting with any company, principals, or owners on the Scrutinized Companies with Activities in Sudan List, participation in the Boycott of Israel, the Scrutinized Companies with Activities in the Iran Petroleum Energy List, and is not engaged in business operations in Cuba or Syria are prohibited from contracting for goods or services in any amount at the time of submitting to this ITB through the term of this contract, including renewals or extensions.

By signature of this agreement, Contractor certifies and attests that firm is not on any list, engaged in any business operations, or participates in activities as specified in this section. If firm is found negligent, contract shall be terminated; and submission of a false certification may subject firm to civil penalties, attorney's fees, and/or costs.

Section 17. Exhibits

The following Exhibits are attached to and made a part of this Contract:

"Exhibit A" - "Proposal as Submitted by Contractor and Accepted by City"

"Exhibit B" - "Original Request for Qualification as Issued by City, including all Addenda"

"Exhibit C" - "Insurance and Indemnification"

"Exhibit D" - "Evidence of Bond ability, and/or a Letter of Credit from Surety"

**SWORN STATEMENT PURSUANT TO SECTION 287.133 (3) (a), FLORIDA STATUTES,
ON PUBLIC ENTITY CRIMES**

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to CITY OF STUART, MARTIN COUNTY, FLORIDA

by:

Matt Plowman Account Executive

(print individual's name and title)

for: Crowther Roofing and Sheet Metal of Florida

(print name of entity submitting sworn statement)

whose business address is: 15865 Assembly Loop Jupiter, FL 33478

and (if applicable) its Federal Employer Identification Number (FEIN) is: 65-0653836

(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement: 03 - 12 - 2020 .)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentations.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

a. A predecessor or successor of a person convicted of a public entity crime; or

b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those

officers, directors, executives, partners, Shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relations to the entity submitting this sworn statement. (Indicate which statement applies).

Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with ad convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida , Division of Administrative Hearings and the final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list (attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Due to the irregularity of mail service, the City cautions bidders to assure actual delivery of mailed or hand-delivered proposals directly to the City's Procurement Office, as specified above, prior to the deadline set for receiving proposals. Telephone confirmation of timely receipt of the proposal may be made by calling (772) 288-5320, before proposal closing time. A proposal received by the City Procurement Office after the established deadline will be retained unopened.

Proposers may withdraw their proposal submissions by notifying the City in writing at any time prior to the deadline for proposal submittal. Proposers may withdraw their submissions in person or by an authorized representative. Proposers and authorized representatives must provide the letter of withdrawal, picture identification, proof of authorization (in the case of authorized representatives) and provide the City with a signed receipt for the withdrawn proposal. After the deadline, proposals once opened, become a public record of the City and are subject to the provisions of the Florida Public Records Law. As such they are subject to public disclosure in accordance with Chapter 119, Florida Statutes.

1.6 ADDENDA

If revisions become necessary, the City will provide written addenda. It is the responsibility of the proposer to obtain any addenda issued. The City will make every effort to notify registered Proposers by email that an addendum has been made to the RFQL. The City shall not be responsible for providing notice of addenda to potential proposers who receive an RFQL package from sources other than the City or DemandStar. All addenda issued by the City must be acknowledged within the proposal at the time it is submitted to the City. Failure to acknowledge all addenda may result in disqualification.

1.7 EQUAL OPPORTUNITY

The City recognizes fair and open competition as a basic tenet of public procurement and encourages participation by minority and women owned business enterprises.

1.10 PUBLIC ENTITY CRIMES

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit proposals or contract with the City for construction of a public building or public works; may not submit bids for leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided for in s. 287 for CATEGORY TWO for a period of 36 months from the date being placed on the convicted vendor list. Questions regarding this statement should be directed to the State of Florida, Bureau of State Procurement (850) 488-8440.

1.11 SUSPENDED VENDOR

An entity or affiliate who has been placed on the State of Florida Suspended Vendor List will not be considered for award. The Suspended Vendor List is available on the State's website at:

http://dms.myflorida.com/business_operations/state_purchasing/vendor_information

1.12 ASSIGNMENT & SUBCONTRACTING

The successful bidder will not be permitted to assign its contract with the City without obtaining prior written approval of the City of Stuart. If a vendor subcontracts any portion of a contract for **any reason**, the bidder must include, in writing the **name and address of the Subcontractor**. Name of the person to be contacted, include telephone number and extent of work to be performed. This information is to be submitted with bid response. If vendor should need to change subcontractor information, changes are subject to the approval by the City. The City reserves the right to reject a proposal of any bidder if the proposal names a subcontractor who has previously failed in the proper performance of an award or failed to deliver on time contract of a similar nature, or who is not in a position to perform properly under this award.

1.13 PUBLIC RECORDS

Bids become "public records" and shall be subject to public disclosure consistent with Chapter 119.07 Florida Statutes. Document files may be examined, during normal working hours by appointment. Requested information in this ITB will not be considered confidential and/or proprietary.

PUBLIC RECORDS LAW: Public Records Relating to Compliance, Request for Records; Noncompliance, & Civil Action

Note: If the Contractor has questions regarding the application of Chapter 119, Florida Statutes, to the Contractor's duty to provide public records relating to this contract, contact the office of the City Clerk as the custodian of Public Records for the City of Stuart, and all the respective departments at PublicRecordsRequest@ci.stuart.fl.us, City of Stuart, City Clerk 121 SW Flagler Avenue, Stuart, Fl. 34994 per F.S. 119.12.

In compliance with F.S. 119.0701 the Contractor shall:

- A) Keep and maintain public records required by the public agency to perform the service.
- B) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- C) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
- D) Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

A request to inspect or copy public records relating to a public agency's contract for services must be made directly to the public agency. If the public agency does not possess the requested records, the public agency shall immediately notify the contractor of the request, and the contractor must provide the records to the public agency or allow the records to be inspected or copied within a reasonable time.

If a contractor does not comply with the public agency's request for records, the public agency shall enforce the contract provisions in accordance with the contract.

A contractor who fails to provide the public records to the public agency within a reasonable time may be subject to penalties under F.S. 119.10.

If a civil action is filed against a contractor to compel production of public records relating to a public agency's contract for services, the court shall assess and award against the contractor the reasonable costs of enforcement, including reasonable attorney fees, if:

1. The court determines that the contractor unlawfully refused to comply with the public records request within a reasonable time; and
2. At least 8 business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the contractor has not complied with the request, to the public agency and to the contractor.

A notice complies with subparagraph 2 above, if it is sent to the public agency's custodian of public records and to the contractor at the contractor's address listed on its contract with the public agency or to the contractor's registered agent. Such notices must be sent by common carrier delivery service or by registered, Global Express Guaranteed, or certified mail, with postage or shipping paid by the sender and with evidence of delivery, which may be in an electronic format.

A contractor who complies with a public records request within eight (8) business days after the notice is sent is not liable for the reasonable costs of enforcement.

1.14 LICENSES

Bidders, both corporate and individual, must be fully licensed and certified for the type of work to be performed in the State of Florida at the time of bid receipt. The proposal of any Bidder that is not fully licensed and certified shall be rejected.

1.15 BUSINESS TAX RECEIPT

Bidder shall comply with Business Tax Receipt requirements for their business location. A copy of the business tax receipt or proof of exemption shall be submitted prior to awarding the bid.

1.16 OTHER GOVERNMENTAL ENTITIES

When there is sufficient capacity or quantities available, awarded bidder may provide to other governmental agencies, so requesting, the products or services awarded in accordance with the terms, conditions, and prices of the bid and resulting contract. Prices shall be F.O.B. Destination to the requesting agency. Each governmental entity allowed to use this contract shall do so independent of any other governmental entity.

1.17 CONTRACT TERM

At all times during the term of the contract, the successful Contractor shall act as an independent Contractor and at no time shall be considered an agent or partner of the City.

a) **Contract Period:** This contract shall be awarded for an initial term of one (1) year subsequent to approval by the proper City authorities. The contract may be renewed for two (2) additional one-year periods provided both the successful bidder and the City agree and all terms and conditions remain the same. Any contract or amendment resulting from this solicitation shall be subject to fund availability and mutual written agreement between the City and the successful bidder. Extension of the contract for additional thirty (30) day periods for the convenience of either party shall be permissible at the mutual consent of both parties not to exceed six (6) months.

b) **Option to Extend:** The performance period of any contract resulting from this solicitation may be extended upon mutual agreement between the contractor and the City of Stuart with no change in terms or conditions. Any extension of performance period under this provision shall be in one-year increments. The contract may be renewed for two (2) additional one-year periods, provided both parties are in agreement. Total contract length, including individual one-year extensions, shall not exceed three (3) years. Consideration of price increases at each renewal period will be given provided such escalations are justified, reasonable and acceptable to the City. Any price increases must be documented and approved by the City of Stuart. It is also expected that de-escalation of prices will be extended to the City if the market so reflects.

1.18 CONTRACT AMENDMENT

The City reserves the right to delete, add or revise locations under this proposal at any time during the contract term when and where deemed necessary. If any locations are added or deleted from the contract, the rate quoted shall be used to determine the adjusted contract price.

1.19 NON-EXCLUSIVE CONTRACT

CONTRACTOR agrees and understands that the contract shall not be construed as an exclusive arrangement and further agrees that the City may, at any time, secure similar or identical services at its sole option.

1.20 ESTIMATED QUANTITIES

It shall be understood and agreed that quantities designated herein are estimated only and may be increased or decreased in accordance with the actual requirements of the City. The City may require modifications and changes to this contract, as it relates to quantities, areas, frequency of services and specified services. The Contractor shall provide the City with the cost for such additional services. All rates shall be in accordance with the unit cost structure submitted by the contractor and accepted by the City.

1.21 DEFAULT

In the event that the Contractor cannot respond adequately to the needs of the City by reason of equipment failure or any other reason, the Contractor shall advise the City, as soon as possible, and further advise as to the length of said inability. The City may then consider said inability to be a breach of this Contract and may undertake the necessary work through its own services or those of another Contractor. The City shall have the right to deduct the cost incurred in having to provide said services from the payments to be made to the Contractor under this Contract.

1.22 BACKGROUND INFORMATION

As part of the evaluation process, the City reserves the right, to require a Bidder to submit such evidence of his/her qualifications as it may deem necessary, and may consider any evidence available to it as to the qualifications and abilities of the Bidder, including past performance (experience) with the City by the Bidder or any of their Owners.

1.23 COMPETENCY OF RESPONDENTS

Proposals will be considered only from firms which are regularly engaged in the business of providing the goods and/or services as described in this ITB and who can provide evidence that they have established a satisfactory record of performance to insure that they can satisfactorily execute the services under the terms and conditions stated herein. The term "equipment and organization" as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the proper authorities of the City.

1.24 PERFORMANCE EVALUATION

Throughout the contract period the vendor(s) performance will be monitored by City staff. If vendor performance fails to meet the standards specified and receives an unacceptable rating, the City may without cause and without prejudice to any other right or remedy, terminate the contract whenever the City determines that such termination is in the best interest of the City. Vendor's receiving an unacceptable rating will be notified by certified mail. Contract termination shall be served by written notice by the Procurement Division.

1.25 FEMA CONTRACT TERMS

Contractor provides services that the City may require in the event of a hurricane or other disaster. Contractor acknowledges and agrees that in such event, the City may apply to the State of Florida or the federal government for funds which will be used to pay Contractor or

reimburse the City for payments made to Contractor. FEMA will only consider reimbursing contracts which contain the requisite FEMA provisions Contractor desires to be eligible to be awarded disaster work and be compensated through federal funds. The City and Contractor agree that with respect to any services or work performed or provided by Contractor or its subcontractors under the Contract arising or

1.26 CONE OF SILENCE

The Proposer covenants that they presently have no interest and shall not acquire any interest, directly or indirectly, which would conflict in any manner or degree with the performance of the services hereunder. The Proposer further covenants that no person having any such known interest shall be employed or conveyed an interest, directly or indirectly, in the contract.

The Cone of Silence shall terminate at the time the City Commission or City Manager makes final award of a bid or gives final approval of a contract or contract amendment, rejects all bids or responses to the Competitive Solicitation, or takes other action in the Competitive Solicitation.

Any person or entity that seeks a contract, contract amendment, award, recommendation, or approval related to a Competitive Solicitation or that is subject to being evaluated or having its response evaluated in connection with a Competitive Solicitation, including a person or entity's representative shall not have any communication with any City Commissioner, the City Manager and their respective support staff or any person or group of persons appointed or designated by the City Commission or the City Manager to evaluate, select, or make a recommendation to the City Commission or the City Manager regarding a Competitive Solicitation.

Any action in violation of this section shall be cause for disqualification of the bid or the proposal. The determination of a violation shall be made by the City Manager.

PART II SCOPE OF WORK

2-1. PURPOSE

The City of Stuart is seeking qualifications from experienced licensed roofing contractors to provide all labor, supervision, equipment, machinery, tools, materials, transportation, and other incidentals required for roofing repairs and replacement within the City on an as needed basis. Work shall be in accordance with the terms and conditions contained in this request for qualifications. The intent of this solicitation is to pre-qualify contractors for this work. The initial part of the process is the issuance of the Request for Qualifications (RFQL), which will result in a listing of the qualified contractors who submit a response. Only those pre-qualified Contractors will be invited to submit bids for the Repair and Replacement of roofs throughout the City on an "as needed" basis for an initial contract period of one (1) year with two (one year) renewals.

2-2. SERVICING PROCEDURES FOR PREQUALIFIED CONTRACTORS

- A. A notice of solicitation by work order request will be distributed to the successful qualifiers and posted on the Procurement and Contracting Services notice board located at City Hall, 121 SW Flagler Avenue, Stuart, FL 34994. This work order request shall include; notice of solicitation / date issued, minimum of two weeks for due date and time, a brief description of the installation to be done, including address/location of work, completion time. The work order request will be accompanied with the Bid Schedule for the project.
- B. There will be a **MANDATORY pre-bid conference** held in the City Hall Annex, 300 SW St Lucie Avenue, Stuart, Florida for each project. Contractors must attend the mandatory pre-bid meeting to address the scope of work and questions about the project. Failure to attend three meetings per contract year may be cause for termination of your agreement. The next prequalified firm, and so on, may be considered for award of a master agreement. Contractors must sign the attendance sign-in sheet, which shall act as proof of attendance.
- C. It is the proposer's responsibility to become fully informed as to the nature and extent of the work required and its relation to any other work in the area, including possible interference from other site activities. Contractors are advised to make a thorough inspection.
- D. At times, the Project Manager may require the Contractor's to attend a pre-inspection prior to the commencement of work at each project. All work must be established in advance and with prior approval. All schedules and the necessary arrangements to implement the work must be made with the review and approval of the City Project Manager.
- E. Any additional service, necessary changes, or questions will be addressed by addendum, and shall be authorized by the City prior to the commencement of the service.

- F. Contractors must submit their work order request, bid schedule signed by an authorized representative of the firm, and any addendum issued in a sealed envelope marked with the Work Order Number, Project, due date and time. Any requests received after the designated date and time will not be considered.
- G. Bid submittals will be opened at the designated date and time in an open forum. Submittals will be checked for compliance and calculations by the City and Engineer of Record (EOR). The EOR will submit their recommendation for award to the City.
- H. Award recommendations that exceed \$50,000 will be presented to the City Commission for approval, which conforms to all requirements herein and whose evaluation by the City indicates that the award will be in the best interest of the City. Any bids that are less than \$50,000 will be in accordance with Section IV of the City's Procurement Manual.
- I. Upon approval, the City will provide Contractor with notice to proceed for commencement of work. If the Contractor shall be delayed in the completion of his work by any reason of unforeseeable causes beyond control and without fault or negligence, including, but not restricted to, acts of God or neglect of any other contractor, the period herein specified for the completion of delivery shall be extended by such time as shall be approved by the City Project Manager or designee.
- J. Upon completion of services, the City reserves the right to request the Contractor's assigned supervisor to review and provide written acknowledgement/documentation that work performed by their technician has been completed. Supervisors review to be at no additional charge to the City and considered part of the contract award. Supervisor shall document any area of concern that are above beyond on their estimate. The estimate shall be signed by the Supervisor and submitted to the City Project Manager or designee within 24 hours of performing the inspection. Estimates are to be emailed or faxed to the City Project Manager or designee. Email or faxed information will be provided at the time the project quote is requested. If at any time the assigned supervisor is replaced during the term of this contract, the Contractor must provide all updated information and details.
- K. All rates quoted shall include travel means, labor, permits, and any and all equipment and tools required. All disposal charges should be included in the contractor's overhead.

2-3. CONTRACTOR RESPONSIBILITIES

- A. Awarded contractor is responsible to submit a proposed schedule to the City consisting of planned work to be accomplished. The Public Works Director; or his designee, shall have approval authority over the proposed schedule. Contractor may not change the schedule without the prior written authorization of the Public Works Director, or his designee. The City reserves the right to change the schedule, with adequate notification, so the best benefit of the work can be achieved.
- B. All repair work to be performed, in the best workmanlike manner, as known to the trade. There will be no emergency or overtime rates approved for these services. Contractor will be accountable/responsible for their own assessment/measurements of the installation. There will be no adjustments in cost, for increase or decrease of the service requested. Failure to do so will be at the Contractors risk.

- C. Contractor shall exercise the same degree of care, skill, and diligence in the performance of the work as is ordinarily provided by a contractor under similar circumstances and contractor shall, at no additional cost to the City, correct any deficiency which fails to satisfy the foregoing standard of care.

2-4. INSPECTION AND DIRECTIONS

No Inspector shall have the power to waive the obligations resting upon the Contractor to furnish good material and do good work as herein prescribed. Any failure or omission on the part of any Inspector or Engineer to condemn any defective material or work shall not release the Contractor from the obligation to at once tear out, remove and properly replace or rebuild the same at any time upon discovery of the defect and upon notice from the Owner or Engineer to do so.

2-5. INVOICING AND PAYMENT

The City requires a firm price for each contract period. Invoices will be checked to confirm compliance with quoted pricing. Failure to hold prices firm through each contract term will be grounds for contract termination. Invoices shall state the specified job location and a detailed description of work performed. Payment will be made upon completion and acceptance of the work, net 30 days.

New Year's Day	Martin Luther King Day
President's Day	Memorial Day
Independence Day	Labor Day
Columbus Day	Veteran's Day
Thanksgiving Day & Day After	Christmas Day

2-6. PUBLIC SAFETY AND CONVENIENCE

In the Contractor's use of streets and parking lots for the work to be done under these specifications, he/she shall conform to all Municipal, County, State and federal laws and regulations as applicable.

The Contractor shall at all times conduct his/her work as to ensure the least possible obstruction to normal pedestrian and vehicular traffic including access to all public and private properties during all stages of work, and inconvenience to the general public and the residents in the vicinity of the work, and to ensure the protection of persons and property, in a manner satisfactory to the Public Works Director or appointed designee.

There shall be no obstruction of the travel lanes between the hours of 7:00-9:00 am and 4:00-6:00 pm without approval from the Public Works Director or designee.

2-7. PROTECTION OF PROPERTY

The Contractor shall provide all signs, barricades, and/or flashing lights, and take all necessary precautions to protect buildings and personnel. All work shall be complete in every respect and accomplished in a satisfactory, workmanlike manner.

The Contractor shall at all times guard against damage or loss to the property of the City of Stuart, including but not limited to safeguard sidewalks, curbing, road surfaces and motor vehicles on or around all job sites. Damage to public or private property shall be the responsibility of the

Contractor and shall be held responsible for replacing or repairing any such loss or damage at the expense of the Contractor, The City of Stuart may withhold payment or make such deductions, as deemed necessary, to ensure reimbursement or replacement for loss or damage to property through negligence of the successful bidder or their agents.

The Contractor shall be responsible for the protection of property in the areas in the adjacent vicinity of the project(s); and for the protection of his own equipment, supplies, materials and work, against any damage resulting from the elements (such as flooding, rainstorms, wind damage, or other acts of God) or vandalism.

2-8. **BONDS**

- A. **Bond Guarantee:** A proposal guarantee must be submitted with the proposal, **if the total amount proposed exceeds \$50,000**. The bond shall be in an amount equal to ten percent (10%) of the total amount. The guarantee may be in the form of a Surety Bond with a carrier duly licensed and authorized to do business in the State of Florida, a Cashier's Check or a Certified Check (checks made payable to The City of Stuart). Purpose of the proposal guarantee is to assure the apparent low, responsive and responsible bidder will enter into a contract to provide the described services. Should the bidder not enter into a contract the proposal guarantee shall be retained by the City to defray the additional costs of either awarding to the second low, responsive and responsible bidder or re-advertise and re-solicit the project.

- B. **Payment & Performance Bonds:** The successful bidder, when awarded a contract, will be required to furnish payment and performance bonds with a carrier duly licensed and authorized to do business in the State of Florida, equal to one hundred percent (100%) of the total amount of the contract to assure faithful performance and timely payments to all persons providing labor, materials or supplies used in the performance of the work.

PART 3 INSTRUCTIONS FOR PREPARING SUBMISSIONS

3.1 RULES FOR SUBMISSIONS

The submission must name all persons or entities interested in the submission as principals. The proposal must declare that it is made without collusion with any other person or entity submitting a proposal pursuant to the RFQL. The interested firm or individual must submit one (1) original and seven (7) copies of their proposal, including **one (1) electronic copy (PDF format preferred) on a flash drive** of the requested qualification data for evaluation. Please tab all support documents or attachments according to the order established in the following paragraph.

3.2 PROPOSAL FORMAT

Proposers should prepare their proposals using the following format. Proposers shall label, tab and organize proposal submittal documents utilizing the following format as outlined below. All attachments as requested shall be inserted in the back of each corresponding section.

In preparing your proposal, proposer should assume that the City has no previous knowledge of their product or capabilities. Proposals should clearly describe the services, specifying where it meets, exceeds or does not comply with the general specifications.

Letter of Transmittal: The response format shall contain a letter of transmittal. The Letter of Transmittal will summarize in a brief and concise manner the Contractor's understanding of the scope of work and make a positive commitment to timely perform the work within budgetary requirements. An agent authorized to contractually bind Contractor must sign the Letter of Transmittal indicating the agent's title or authority. This signature shall certify the veracity of the contents of the submittal and bind the firm to this response to the City of Stuart's Request for Qualifications. The transmittal letter shall not exceed two pages in length.

Tab 1 ~ Company Qualifications:

Firms shall provide a brief profile of their company, which should include their history, locations of their corporate and satellite offices, location of their project team, corporate structure, ownership interest, and the length of company's existence. The proposing Contractor shall include submission of safety program.

Submit an organizational chart, staff qualifications, copies of licenses and certifications; and provide an overview of the experience of the firm. Firm's capacity in terms of personnel and workload. Provide resumes of proposed key personnel (name, company address, phone number, e-mail address) who will be assigned to this project. Resumes shall include job skills, education, training, experience and professional affiliations/membership. All proposed sub-contractors shall be identified, and the working relationship between the respondent and the sub-contractor shall be explained.

The firm must assign a Supervisor and shall identify assigned personnel (to the City account) with experience in similar work and provide details of the qualifications and technical experience, including job skills, license, and years with firm, to perform the work. Any change in Firm's assigned staff must have prior approval by the City. Proposers may submit such additional information as to their qualifications, experience and expertise as they may feel necessary to establish their level of proficiency in this area. The successful proposer will not be permitted to assign its contract with the City, or to subcontract any of the work requirements to be performed.

Tab 2 ~ Project Experience and References: Provide evidence of firm's ability to meet time and budget requirements. Present experience with construction techniques, trade standards, quality workmanship, project scheduling, cost control, management of projects, and applicable codes. List any other experience focused criteria that will give the evaluation committee facts to make a more informed decision.

Provide a list of five projects (5), applicable to scope of work. Title and brief description of each project shall include:

- Client (contact person, address, telephone number, e-mail address)
- Year completed
- Nature of work involved in each project
- Total Value of the Project

Provide a description of the firm's familiarity and experience related to grants for Florida Department of Environmental Protection (FDEP), State and Federal Programs.

Tab 3 ~ Equipment: Provide evidence that firm owns, leases or has the ability to rent any and all equipment required to successfully perform the specified scope of work. Provide a list of owned equipment; include type and capacity of equipment.

Tab 4 ~ Insurance and Bonding:

Insurance: Provide proof of ability to obtain insurance coverages as detailed in Item 5.2. A certificate of insurance indicating that the firm has coverage in accordance with the requirements herein set forth may be furnished by the firm to the City along with their qualification data. A properly completed Accord Form is preferable. The City of Stuart being named as additional insured for General Liability shall be required prior to entering into a contract. As specified above, Subcontracting is discouraged. Nevertheless, the Firm shall either cover any sub-contractors on its policy or require the sub-contractors to conform to all requirements for insurance contained herein.

Bonding: Letter from surety advising of Contractor's current bonding capacity as specified in Item 2.6.

Tab 5 ~ Submittal Forms & Other Requested Information:

- Business Tax Receipt requirements for their business location. A copy of the business tax receipt or proof of exemption shall be included with response submittal.
- Public Entity Crimes (Attachment C)
- License
- Warranties
- Safety standard certification, Reference form, Schedule of subcontractor participation
- Sworn statement

Tab 6 ~ Prohibition Non-Collusion/Conflict of Interest Disclosure Statements:

Include the following Statement of Non-Collusion: "The respondent certifies, and in the case of a joint proposal, each party thereto certifies as to its own organization, that in connection with this solicitation the information provided has been arrived at independently, without consultation, communication, or agreement with any other respondent or with any competitor for the purpose of restricting competition, or in any other way influencing the competitive arena."

Include a disclosure statement advising the City of any potential conflict of interest, real or apparent, that the Respondent, employee, officer, or agent of the firm may have due to ownership, other clients, contracts or interests associated with this project.

Signature on the transmittal letter shall certify the veracity of these statements.

Include a list of authorized personnel to sign on behalf of the company.

Tab 7 ~ Optional Information: Provide any information pertinent to this project that will provide insight to the evaluators about the qualifications, fitness and abilities of the Respondent (please limit this information to two pages).

Tab 8 ~ Addenda (if applicable): All addenda issued pursuant to this solicitation must be acknowledged, signed, and submitted as part of the proposal package. Failure to include may be grounds for disqualification.

PART 5 EVALUATION METHOD AND CRITERIA

The City reserves the right to evaluate each response on a separate and individual basis. The City further reserves the right to reject any and all responses submitted, or accept a response deemed most advantageous to the City. While the City desires to achieve a cost-effective analysis, the emphasis is on quality, not necessarily the lowest cost. The City's selection committee will evaluate proposals and will select the proposer which meets the best interests of the City. The City shall be the sole judge of its own best interests, the proposals, and the resulting negotiated agreement.

An Evaluation Committee composed of three (3) City staff shall meet to evaluate each response in accordance with the requirements of this solicitation. Each Committee member will rank all proposals based on the criteria below. The top ranked firms may be required to provide a presentation to the selection committee. The selection committee will recommend award to the top ranked firm.

The City's decisions will be final. This criterion shall be utilized in the evaluation of the proposals. The City's evaluation criteria will include, but not be limited the following:

- Firm Qualifications
- Project Manager and Staff Experience
- Industry Knowledge and Expertise
- Past performance (The evaluation should consider past performance information regarding predecessor companies, key personnel who have relevant experience. Past performance information should also include recent and relevant contracts for the same or similar items and other references including contract numbers.)
- Quality of submittal

Selection: Proposals will be evaluated using the above criteria. The City will assign this task to a Selection Committee. The City of Stuart reserves the right to select the most qualified individuals/firms from review of the packages submitted or to interview the most qualified Respondents prior to requesting authorization to negotiate an agreement with the highest ranked respondents. Individuals/firms will be notified in writing if they are selected for interview. Notices for interviews will contain explicit instructions concerning location, date, time and length of interviews.

Presentations: The City may require oral and visual presentations. This shall be done at the City's sole discretion when it feels presentations are essential as part of the evaluation process and are in the best interests of the City. The City shall be the sole judge and final arbiter of its own best interests in this matter.

Purchasing Card Program: Preferred method of payment is by means of the City of Stuart Purchasing Card (VISA). The selected Proposer(s) can take advantage of this program and in consideration receive payment within several days, instead of the City's policy of Net 45 days. Proposers are requested to acknowledge acceptance of purchasing VISA card on the Proposal Price Form. If acknowledged, payment will be made to the awarded contract by the Visa Pcard at the negotiated contract price. City shall not pay any service charges or fees for Pcard transactions.

Terms and Conditions: Any actual or prospective Proposer who disputes the reasonableness, necessity or competitiveness of the terms and conditions of this request for proposals; selection or award recommendation shall file such dispute in writing with the City Manager, not later than close of business on the proposal opening date, as to the terms and conditions, and within ten (10) days of award recommendation. The City reserves the right to reject any or all proposals without recourse, to waive technicalities and informalities or to accept the proposal which in its sole judgment best serves the interest of the City.

SAFETY STANDARDS CERTIFICATION

The undersigned bidder hereby certifies that he or she has or will thoroughly familiarize him or herself with the contents of the City of Stuart Safety Standards. The Bidder further certifies that he or she either has or will submit a fully executed copy of those same Safety Standards to the City for inclusion in the City's official public record prior to commencing any work on this project.

**SWORN STATEMENT PURSUANT TO SECTION 287.133 (3) (a), FLORIDA STATUTES,
ON PUBLIC ENTITY CRIMES**

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to CITY OF STUART, MARTIN COUNTY, FLORIDA
by:

_____ *(print individual's name and title)*

for: _____ *(print name of entity submitting sworn statement)*

whose business address is: _____

and (if applicable) its Federal Employer Identification Number (FEIN) is: _____

(If the entity has no FEIN, include the Social Security Number of the individual signing this
sworn statement: ____ - ____ - ____.)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentations.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

- a. A predecessor or successor of a person convicted of a public entity crime; or
- b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those

officers, directors, executives, partners, Shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relations to the entity submitting this sworn statement. (Indicate which statement applies).

Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with ad convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida , Division of Administrative Hearings and the final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list (attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.
