Submittal Requirements: A completed application form, the payment of fees, one (1) copy of all documents on a PDF formatted disc electronically signed and sealed, and a site plan. (Note: A concept plan may, at the discretion of the applicant, be submitted instead of a site plan. However, in doing so the applicant acknowledges that a site plan will need to be submitted for City Commission approval prior to making application for a development permit.) The data requirements for a site plan and a concept plan are available at the Development Department.

Approving Authority: The Development Director is required to prepare a staff report and recommendation concerning this application. The Local Planning Agency (LPA) is required to hold an advertised public hearing and formulate a recommendation to the City Commission. The City Commission is also required to hold an advertised public hearing after which it may approve, approve with conditions, or deny the application.

Written justification supporting the application and demonstrating how the application:

- Is consistent with the relevant components of the City of Stuart Comprehensive Plan including concurrency with adopted levels-of-service for utilities/facilities and compatibility with existing/planned uses and
- Complies with the relevant development standards of the City of Stuart Land Development Code *(include additional pages if needed)*.
